**Principals Report**

**District Cross Country**
Last Friday several of our students took part in the District Cross Country event at Wallerawang. All students ran well and represented our school proudly. Congratulations Robert and Holly who are eligible to represent Lithgow District Schools at the Western Carnival at Wellington in June.

**Students with Individual Programs Parent Interviews**
As part of the school’s policy for catering for the learning needs of our children, we have developed Individual Learning Support Plans to document the programs supporting your child. Parent communication and input is a vital component to the planning and development of individual plans.

The staff would like to invite parents/carers to a meeting on **Tuesday, 10th June at 3pm** to discuss your child’s Individual Learning Plan.

**Attendance**
Student attendance is closely monitored by the DEC. It is **essential** if a child is away that the school receives an explanation for their absence. Late arrivals and early leavers are also closely monitored and also require a note or form to be completed. Attending school is so important to a child’s learning and development. Children who attend school regularly are usually better able to cope with their schoolwork than children who are frequently absent. Regular attendance also makes it easier for children to develop friendships and self-confidence.

**Bus Behaviour**
I urge parents to remind children of the expectations of bus behaviour, not only on the bus **but at the High School**. I am continuing to deal with incidents brought to my attention, however if children continue to behave in an unsafe manner their bus privileges will be withdrawn.

**Year 6 Reminders**
*High School Enrolment Forms – these forms need to be returned by Friday 20 June to the school office*

**Future Sporting Events**
We have a number of sporting events coming up at Zig Zag: netball, athletics, sports clinic and Western Area Cross Country.

**Kindergarten Sound Week**
Kindergarten has been learning duck and goose and gorillas eating grapes.

**World Environment Day**
Next **Wednesday 4 June** is World Environment Day. This year we are going to take a close look at recycling. We would like you to send in any of the following recyclables:
- Old CD’s
- Jars with lids
- Plastic bottle tops
- Small pet water bottles
- Aluminium cans
- Buttons
- Material scraps
- Lids of all types and sizes
