Principals Report

It’s been another wonderful term at Zig Zag Public School. We wish you all a relaxing and safe holiday break and look forward to seeing you back at school for next term.

NRMA Safety Day

Last Friday, 27th March, the students took part in NRMA Road Safety Day. Road Safety Day involved road safety shows, learning materials for students and parents. The show explored the forces acting on humans while travelling in cars and on bikes and demonstrated how helmets and seatbelts keep humans safe. The students learnt valuable lessons on road safety.

Red Cross Calling Mufti Day

Last Friday, 27th March, the students took part in the Red Cross Calling mufti day. The students all wore red and donated a gold coin towards Red Cross. The children also watched a video documentary on how and why the Red Cross was formed and learnt the good work they do in helping others. Mrs Linda Hanby and Mrs Peg Charlton from Lithgow Red Cross came to see the children form their human red cross and to collect all the funds raised by the school. A very worthy cause and an enjoyable day.

A holiday head lice treatment
School holidays are an ideal time to treat your child’s hair for head lice.

A natural treatment option is to coat the hair with coconut oil, cover with a shower cap and leave on the hair for 8 hours. Rinse the coconut oil out with apple cider vinegar and comb with a nit comb to remove any eggs.

All of these ingredients are easily found in the supermarket and plastic nit combs are very successful as well as inexpensive.
